Turning the Tide for Birth and Breastfeeding

The Warrnambool Breastfeeding Centre invites you to sponsor, exhibit, or advertise at our 2020 conference.

This conference has attracted a stellar line-up of National and International speakers.

Visit website for more details:

www.warrnamboolbreastfeedingcentre.com.au

Sponsoring this conference will give you exposure to more than 200 lactation consultants, midwives, child health nurses, dietitians, doctors and other health professionals.

Money raised from this conference will go to support the continued operation of the Warrnambool Breastfeeding Centre.

What is the Warrnambool Breastfeeding Centre?

The Warrnambool Breastfeeding Centre is a hub of information and support for parents in Warrnambool and the surrounding areas. It is a place parents can come to relax and connect with other parents in an informal setting. Importantly, parents can access the breastfeeding information and support they need, when they need it, through professional lactation support, breastfeeding counsellors and practical support such as breast pump hire and information on lactation aids.

The Warrnambool Breastfeeding Centre was opened in May 2014 using funds raised at “Turning the Tide” Conference 2013.
